

Congregational assistance for Young Musicians of Alamance (YMA) welcomed

First, let me thank you for hosting Young Musicians of Alamance! Your help as a congregation is an incredible blessing for our organization and for our students.

When I made my presentation about our program to you, a number of generous people approached me and offered to help in any way they could. What a blessing! I have developed a list of services and items that will help us make this a wonderful experience for our students AND give you bragging rights when our program becomes well-known!

♪ We need people with Safe Church Training:

- to greet the children when they arrive, then shepherd them to the opening gathering place.
- to sit in classes with the children to assist them in following the rules.
- to bring parents' messages to us.

We will work hard to use a positive support system to maintain a positive environment.

♪ We need gently-used orchestral instruments:

- Violins
- Violas
- Cellos
- Clarinets
- Flutes
- Piccolos
- Soprano and Alto Saxophones
- Trumpets
- Cornets
- Snare Drums
- Percussion pieces such as claves, triangles, etc.

If you have an instrument that is not on this list, please contact me.

♪ We need people to translate documents into Spanish.

♪ We need people to help organize and/or volunteer at benefits and other fund-raising activities.

We have vowed never to approach members of the congregation for money since the church and the congregation have already been more than generous to us! However, if any family members, friends, neighbors, acquaintances, etc. are willing to contribute funds, those would be more than welcome.

All donations are tax deductible!

Again, thank you from the bottom of our hearts for the blessings of hospitality, beautiful classroom spaces, and endowment funds. You will be proud of your contributions to our students which will change their lives and broaden their opportunities.
